Dear Resident,

Summer Event Cancellation Due to Weather Warnings

We are sorry to let you know that, due to the weather warnings currently in place for thunderstorms and adverse conditions, we have made the difficult decision to cancel our planned Summer event tomorrow.

The safety of everyone attending is our top priority, and after careful consideration we do not feel it would be appropriate to proceed while these weather warnings remain in effect.

We understand this will be disappointing news and would like to thank you for your understanding. We are currently exploring the possibility of arranging an alternative date and hope to share an update with you soon.

In the meantime, we are pleased to let you know that information about the project's progress has been uploaded to our dedicated website. You can view the latest updates by visiting:

Thank you for your continued interest and support. We look forward to seeing you at a future event. As always, if you have any questions in the meantime then please don't hesitate to contact the project team on bilton@clarionhg.com or by calling Keiron Hunt on 07542 029 535.

Yours sincerely,

Keiron Hunt
