## Keeping residents and staff safe during Covid-19

**Our priority during the Coronavirus outbreak is to do everything we can to keep our residents and staff safe and secure.**

We want to reassure you that we are continuing to closely monitor the situation, following government advice and regularly updating our website to keep you best informed.

## New contractor appointed

We have hired London based building developer Durkan to build the second phase at Sherwood Close. Their winning offer includes jobs and employment training, support for local initiatives and resident liaison services. We look forward to delivering the second phase of the project alongside them.

## Meet the contractor

**Date: Thursday 19 November Time: 5pm**

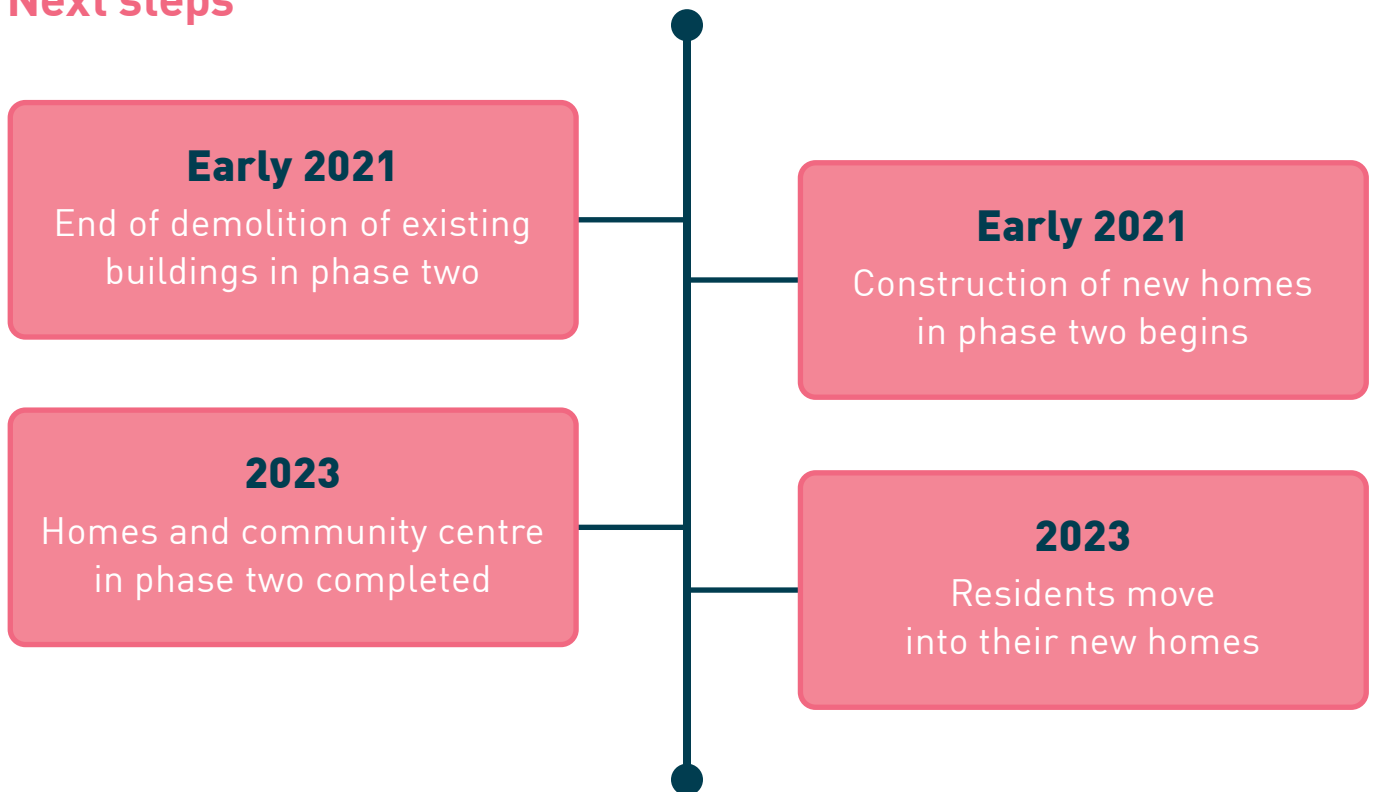

This is a chance for you to meet with some of the team at Durkan and ask them any questions that you have about the construction of phase two.

The meeting will be held on Zoom. If you would like to attend please contact **Natalie Down** on **0300 500 8000**.

## Phase two

We'd like to thank residents, neighbours and local stakeholders who have worked with Clarion and Ealing Council to develop detailed designs for the regeneration. This phase will be 100% affordable and the homes built will be for residents from Target House, some previous Sherwood Close residents and those on Ealing Council's housing waiting list.
